*600 kms of marked trails at the heart of a rich and wild nature, offer a variety of outings, from family walks to sporting activities for one or more days.*

**As you will discover the Giffre** s'avèrent être un véritable petit paradis de la randonnée. Tour à tour, le randonneur traverse de charmants bourgs, des forêts de hêtres et de sapins ou des alpages, il longe d'impétueux torrents ou découvre des lacs d'altitude, il surplombe d'impressionnantes falaises ou jouit des embruns d'une cascade.

**The various lifts used by skiers** in the winter allow a walker or a mountain biker easy access onto the lower slopes overlooking the valley. The hikes from refuge to refuge allow a walker to experience all the emblematic mountain summits : Les Dents Blanches, Le Ruan or even La Chaîne des Fiz.

**The new Giffre Tour offers you the chance** to discover the valley and its refuges. Comfortable, well-equipped, offering evening meals, bed and breakfast, some are easily accessible by families while others are for more experienced walkers. But the refuge staff are always there to welcome their guests with the warmth and friendliness which characterises the people from these mountains.

**FIND THIS HEART THROUGHOUT YOUR BROCHURE**

*It tells you what activities are available for children of different ages.*

*A guide for people with reduced mobility is available at the tourist office.*

All photos and descriptions of our flats and chalets are available on our website [www.samoens.com](http://www.samoens.com), category «my accommodation», heading «holiday rentals».

After a visit, the classified furnished accommodation respects the new standards defined in 2009 by the legislator. The classification scale goes from 1 to 5 stars (\*). Unclassified rentals (NC) have not been visited. The descriptions and information are provided by the owner and are not binding on the tourist office. The tourist tax is collected by the landlord and paid to the municipality for the improvement of the tourist reception of the village.

It's calculated per night, per person:  
5 stars (\*): 3,00€.  
4 stars (\*): 2,00€.  
3 stars (\*): 1,20€.  
2 stars (\*): 0,80€ per night  
1 star (\*): 0,70€.

For all accommodation awaiting classification, with the exception of the above-mentioned categories of accommodation, the rate applicable per person and per night is 5% of the cost per person of the night within the limit of the highest rate adopted by the local authority or, if it is lower than the latter, the maximum rate applicable to 4-star tourist hotels. The cost of the night corresponds to the price of the accommodation service excluding tax.
